KEEF Web site update

Thanks to the generous support of SSA Group and Speed Agency, we have been updating our web site, including recognition of our corporate sponsors. Some of these sponsors have supported KEEF students and projects for many years, and others have joined us very recently. Below is a sample of part of the corporate page of the web site, with a new "Corporate" link and logos of some of our sponsors. We hope to have the site revisions completed this fall.

Want Ideas?

Are you interested in supporting KEEF by making more people in your community aware of the work we do?

If you are willing to plan a small, simple fundraiser (perhaps in your home) and would like some ideas and planning tips, email shelaghag@shaw.ca for our Idea List.

If you know of a local event or location where you might place some information leaflets for KEEF, we would be happy to send them to you.

*This KEEF update was prepared and distributed for KEEF by Don Reimer.
To be removed from our distribution list, email us at keefcan2010@gmail.com*

"Unselfies" needed!

Last fall on our Instagram and Facebook pages, did you see some of the "unselfies" (head and shoulders snaps holding a short "why I give" sign) from KEEF's Giving Tuesday campaign?

We invite other KEEF supporters to contribute their own "unselfies" for KEEF to post this year. More information from shelaghag@shaw.ca

Ready now to send in your "unselfie"? Please email as an attachment to Sarah Breakey, our social media volunteer, smbreakey@shaw.ca
